Exhibit EPATENT ASSIGNMENT

WatchPoint Media, Inc., a Delaware corporation, having a place of business at 55 Hayden Avenue, Lexington, MA ("Assignor") hereby assigns to GoldPocket Interactive, Inc., a Delaware corporation, having a place of business at 12910 Culver Blvd., Suite B, Los Angeles, CA ("Assignee"), the entire right, title and interest for the United States of America and its territorial possessions, and all foreign countries including all rights of priority, in the patents and patent applications identified in Schedule A and inventions or improvements therein, and in and to all Letters Patent of the United States and all foreign countries which may or shall be granted on said inventions, or any parts thereof, or any divisional, continuing, reissue or other applications based in whole or in part thereon, such rights to be held and enjoyed by Assignee as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made, including without limitation the right to sue and recover for past infringement.

Assignor agrees to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to Assignee, to vest and confirm in said corporation, its successors and assigns, the legal title to all such patents.

Assignor does hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue such Letters Patent as shall be granted upon said inventions based thereon to said Assignee, its successors and assigns.

Witness my hand and seal this 29th day of April, 2003.
